### Review 1 Cor. 6

1. What are some principles found in this chapter that we can use today?
2. How is it possible for the saints to judge the world and angels?
3. What does the expression “the kingdom of God” refer to in verses 9 and 10?
4. In verses 15-20, Paul deals with fornication. The immoral society the church is in today is very much like the one the Corinthians found themselves in so it’s important to know what the Scriptures have to say about fornication. List the different reasons found in this portion for a believe not to commit fornication.
5. Is there anything else you would like to discuss further from this chapter?
