Goal: 2 Corinthians 6:11-7:1

1. Paul starts out speaking of heart issues. Share some verses about where our hearts should be, should do, and how they affect our actions.

2. How does the command not to partner with unbelievers apply to:

Jobs

Marriages

Teams or clubs

Prayer or Bible Study groups

Assembly fellowship

3. 2 Corinthians 7:1 refers back to promises from 6:17,18.  
What are they and what do they mean to you?

4. 2 Corinthians 7:1 gives us two sides of growth. We cleanse from defilement but we also are to be “perfecting holiness”. Give ways believers can do each.
