<b>2 Corinthians</b>		Week 20

**Goal:** 2 Corinthians 10:13-18

1. Review what Paul has written in verses 1 – 12. Who is Paul making his defense to, and why?
2. How can we apply verse 5 to our lives?
3. In verses 13 – 18, what message is Paul conveying to the Corinthians?

What message does he have for his detractors ?

4. It seems that Paul hints in these verses that he could be pushing on to other geographical areas to preach the Gospel had the Corinthians not hindered his time and efforts.

In what ways do you hinder the Gospel?

What are practical ways to advance the Gospel?
