

# Bible Study: Motivation and Methods

Job 23:12, "I have esteemed the words of his mouth more than my necessary food."

1. Do you enjoy reading your Bible or do you read it out of a sense of duty?
2. Do you read your Bible on a consistent basis? Daily? Weekly? Monthly?
3. Do you always receive something when you read your Bible?
4. Does Bible reading change your life at all?
5. Do you really feel the need to read your Bible?

John 5:39, "Search the scriptures; for in them ye think ye have eternal life: and they are they which testify of me."

6. Do you trust the Bible?
7. Do you think the Bible is accurate to what the Lord taught?
8. Do you think the Bible is relevant today?
9. Do you understand the Bible when you read it?

Acts 8:30, "Understandest Thou what thou reatest?"

Ephesians 3:4, "Whereby, when ye read, ye may understand my knowledge in the mystery of Christ)"

2 Timothy 3:16-17, "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works."

## SOME METHODS OF STUDYING THE BIBLE

- **Systematic Study** – Study the different books, chapter by chapter.

  - Some to imitate. Some to avoid.
