

False teaching and how to handle it

Class Description

No, we won't go over every doctrinal error that has been introduced into the world. But we will call out some of the marks of false teaching and give you scriptural responses when the false teachers, cross your path.

2 John: 7,10

1John 4:1-6

Examples of false teachers or false concepts

God wants me to be happy and will provide everything I want...

Good works plus genuine faith equals salvation.

If you don't speak in tongues you are not really saved.

God helps those who help themselves.

Money is the root of all evil.

"There but for the grace of God,, go I" —John Bradford

Other examples or situations you would like to discuss

Talking with people that come to visit you on your front porch

When someone says something that doesn't sound right (Biblical), but you don't know why it's wrong. What can you do?

What to do when a friend of yours starts making statements to you about their worldview that doesn't jive with a Biblical worldview?
