What team has been in 4 of the last 5 Super Bowls? Patriots - How many of those have they won? 3 Their only loss was to who? Philadelphia two years ago  
Who was the QB of the Eagles? Nick Foles

Nick Foles talked about hoisting the Lombardi trophy in 2018 when he led the Philadelphia Eagles to a Super Bowl victory. “In that moment, I realized I didn’t need that trophy to define who I was because it was already in Christ.” This year he was supposed to be the Jaguars starting QB but broke his collarbone in the first game. Foles said that when the injury occurred, he thought: “God, this wasn’t exactly what I was thinking when I came to Jacksonville...but at the end of the day, if this is the journey you want me to go on, I’m going to glorify you in every action—good or bad.” “I still could have joy in an injury,” he said, explaining that playing for Jesus changes your heart and your motivations. Playing football does not define who he is.
