

Faith That "Works"

NYR 2017

As usual, let's start with a couple definitions for how we use the word "faith." According to Merriam-Webster, these are some primary definitions of faith:

2. a (1) : belief and trust in and loyalty to God (2) : belief in the traditional doctrines of a religion .

b (1) : firm belief in something for which there is no proof: clinging to the *faith* that her missing son would one day return (2) complete trust

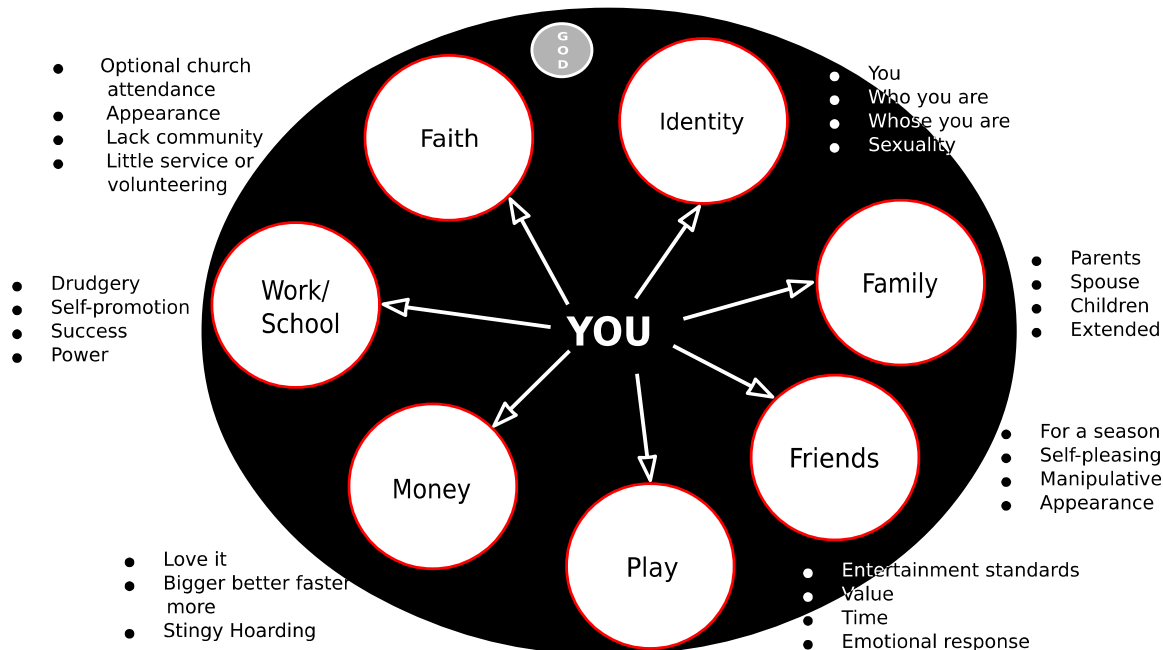

3: something that is believed especially with strong conviction; *especially* : a system of religious beliefs the Protestant *faith*

Three "Strands" of Faith:

Repentance

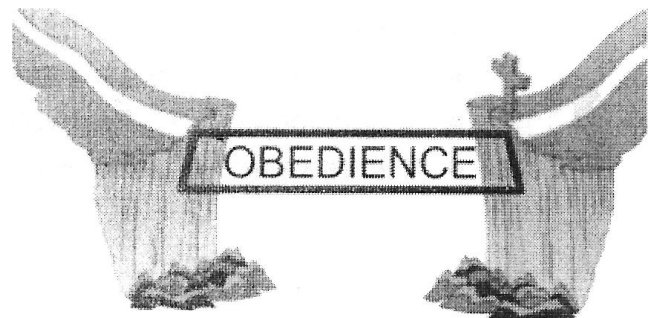

- Ezekiel 18:30-32--Repent and let God give you a new heart
- Romans 12:1-2--Repentance is our (greatest?) act of worship
- Acts 26:19-21--Produce fruit in keeping with repentance
- II Corinthians 7:9-11--Godly vs. worldly sorrow and repentance
- Revelation 2:5, 16: 3:3, 19--Jesus' call for the churches to repent

- When you place yourself in the center you reject God and His design on your life and instead you inform all aspects and you decide what is right/wrong (moral relativism). God is tucked away and kept in a box influencing nothing and only pulled out when desperate and want something .

Belief & Action (the other definition of "faith" often known as "obedience")

- Hebrews 11:1.6--Faith is the key to *experiencing* the reality of our faith
- Romans 10:9-10--Confession and belief for salvation
- James 2:14-26--Faith without deeds is dead

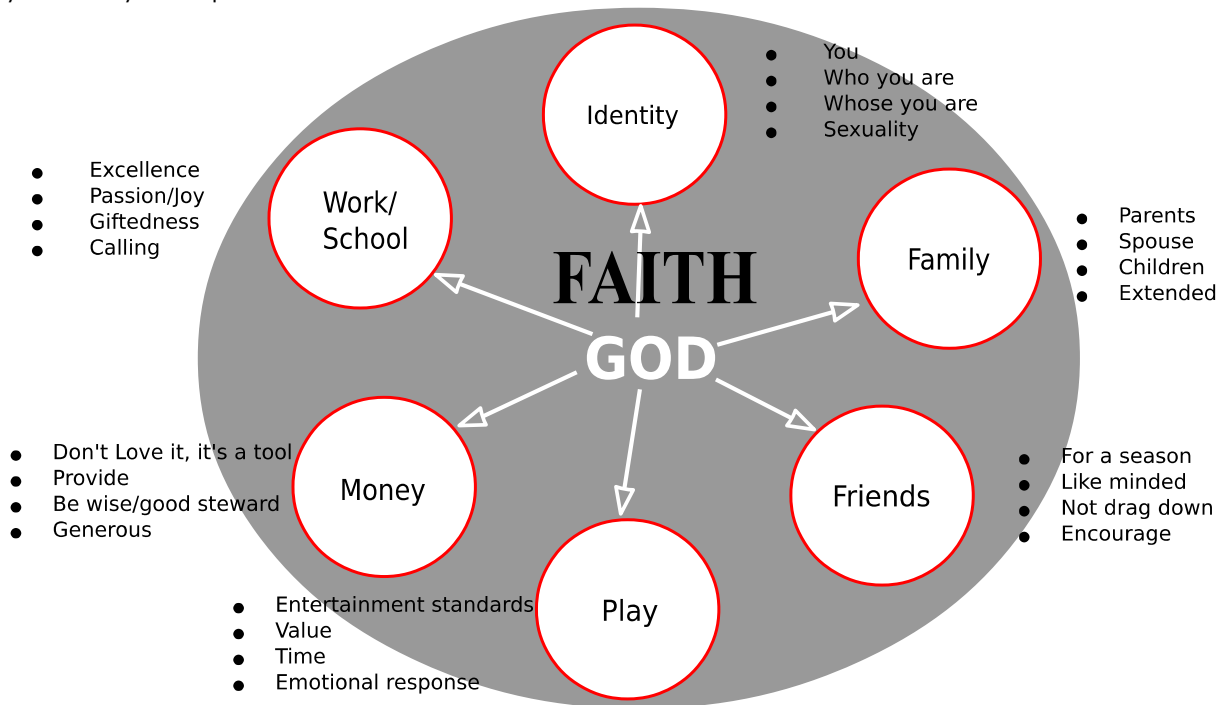

- John 14:15 & 15:10--Obedience is fruit of and motivated by love for Jesus
- Philippians 2:12-13--Our obedience is key to God's work in our will and actions
